

## **INTERNET GAMING COMPANIES ELIGIBLE FOR THE ISSUANCE OF A TRANSACTIONAL WAIVER**

*Last Update: November 8, 2013*

The Division of Gaming Enforcement has completed a preliminary investigation of the following companies who have applied for 92a(1) Internet licensure. Prior to plenary licensure, each are currently authorized to engage in Internet gaming related business transactions once they enter into an agreement with a casino licensee or platform provider and petition the Director of the Division for a Transactional Waiver.
